PROFILE

I am a 5x Emmy winning videographer and video editor with production experience working in both creative and live production. Comprehensive knowledge of industry-leading graphics and video software, as well as emerging social media trends and formatting. I strive to maintain and enhance brand standards while driving interaction and engagement with the target audience.

EMPLOYMENT HISTORY

Senior Social Producer, Kansas City Chiefs

May 2023 — Present, Kansas City, MO

- Produce and edit engaging video content for the Kansas City Chiefs social media channels.
- Shoot footage of games, locker room interviews, press conferences, player and community outreach events, show segments and corporate partnerships.
- Maintain and enhance Chiefs brand standards while driving interaction and engagement.
- Log 65TPT and NFL Films footage
